OLD BUSINESS:

Attorney Jurusik discussed the scoring of the Police Officer Final Eligibility Register. Due to a candidate questioning one component of the test, as well as the application of preference points, the scoring was recalculated. Corrections to the list were discussed, having to correct the application of preference points as well as one candidates' score which was typed incorrectly on the Final Register. Also discussed was the candidate taking issue with a certain component of the test and asking for the specific component to be excluded from the Final Register. The Commission's opinion on the issue is the test was properly issued and the portion of the test in question will not be excluded from the Final Register. A letter will be sent to both the candidate challenging the list as well as the candidate whose score was posted incorrectly explaining the Commission's decision.

With corrections made, Commissioner McCarthy motioned and Commissioner Kuratko seconded the motion to approve the Amended Final Police Officer Eligibility List. Motion passed unanimously.

EXECUTIVE SESSION:

There was no executive session held.

ADJOURNMENT:
